

VISFORM

Art. Mirrors. Furniture & Accessories

An inspirational interior requires a creative ‘wall-to-wall’ strategy.

At VisForm we help transform your space into something visually stunning through our design-based approach. Making use of our team’s diverse experience in art consultancy, framing, printing, product selection and fixture installation, we provide the vision and expertise your space deserves.

With access to the largest libraries of artwork in the world, our fully tailored services have helped transform hotels, show houses and offices into sophisticated, modern places. We can also help source and create a wide range of bespoke fixtures including pieces of art, mirrors and other visual items to shape an interior design project into something noteworthy, all while sticking to the brief's budget.

Customer Focused Services

Thanks to our in-house services, our art consultants can manage any fit-out project from the idea to installation phase. We work quickly, and we work in collaboration with you until we get it right. With over 35+ years in the business, we pride ourselves on delivering a high personal service that our clients can depend on.

Our recent work includes award-winning projects such as Bishops Gate Hotel in Derry and Powercourt Hotel in Dublin. We've also had the experience of collaborating with some of Ireland's leading interior designers such as Janice Moore, Audrey Gaffney Associates and many more.

“We have used VisForm for many years and Paul and his team exceed expectations on service and quality every time. His advise has been material in the delivery of artwork that compliments surroundings as well as stand alone pieces that inspire. We have no hesitation on recommending them.

Ian Wynne - General Manager, Powerscourt Hotel Resort & Spa
